

ASC 606 Revenue Recognition Certification

Certification Description

Improve your credibility and career.

This certificate is designed to provide professionals the required understanding and insight into adequately complying with ASC 606 (Topic 606) "Recognize Revenue from Contracts with Customers". The certificate courses utilize extensive examples to facilitate learning and allow the professional to practice their skills related to the five-step model. There are six separate courses that are specifically dedicated to practicing your knowledge and applying it to case scenarios specific to each step.

The courses go beyond typical theory application and provide real world insight into the concepts, issues and resolutions
