

Audit Skill

Training Program

Advance your skills with our **Audit skill** training program

Audit Training Level 3
In-Charge/ Senior

illumeo

Certification Description

The transition from staff auditor to performing more complex audit procedures and assuming more responsibility handling financial reporting issues. Understand how to properly safeguard independence when performing both attest and non-attest services. Learn how to alter the nature, timing, and extent of audit procedures to be commensurate with assessed risk of material misstatement. Learn how to ensure quality control of the engagement and better manage the client. Case studies and exercises are used to reinforce key points.

This course is *designed for* - Auditors with some practical experience on audits and are moving into an engagement supervision role; qualifies for two regulatory ethics credits
