

Certification Description

Improve your credibility and career.

The bookkeeping profession continues to expand and evolve, growing to more and more professionals every year. It is a growth industry with great professional potential.

Whether you want to develop the skill of bookkeeping or further your career in business, there are critical accounting and bookkeeping concepts to be learned. With this knowledge in hand you will be able to provide professional bookkeeping services for a wide range of clients.

Every major bookkeeping subject is covered in depth, with practical examples and a thorough case study to show you how the concepts work in the real world. There is also a highly valuable and useful 'bookkeeping tools resource' that provides a number of useful processes, procedures and tools to help you quickly and accurately execute on a number of key bookkeeping tasks.

Illumeo's Professional Bookkeeping Certification is a great way to launch yourself into the world of bookkeeping.

See next page for certification syllabus information...
