

## Certification Description

If English isn't your first language and you are a professional in finance or accounting, you owe it to yourself to take this Cert Program. It will guide you through clear steps to help you feel comfortable and confident in your spoken American English.

If you live and work in the US, or if you communicate daily with speakers of American English and live outside the US, it is important for everyone to understand you the first time. If you ever have to repeat what you say or feel misunderstood at times, this course can help your credibility and confidence.
