

Continuing Professional Education Credit

Continuing Education Should Build Useful Expertise

If you are one of the millions of certified professionals in the corporate world, it's critical to you, your current job, and your future career aspirations to remain certified and continuously improve your skills. For managers it's increasingly important to hire and retain certified professionals in critical roles.

Illumeo delivers continuing education courses and webinars of the highest quality, for over two dozen of the most popular certification types for corporate professionals, at an incredibly affordable price.

Illumeo makes taking, tracking and reporting on your continuing education a snap. The platform enables quick search for courses and webinars by certification type, and building a learning plan is as easy as clicking on a course. All courses are video-on-demand, with integrated testing.

Illumeo courses provide in-context learning that improves your career. Illumeo – simple, fast, affordable.
